

Economy Numbering

B 600

Movements

6-wh machines:
repeat, consecutive,
2x, 3x, 4x, 5x, 6x,
12x, and 20x.

7-wh machines:
repeat, consecutive,
2x, 3x, 4x, 5x, 6x,
and 12x.

8-wh machines:
repeat, consecutive,
2x, 3x, and 6x.

High impact black plastic frame, very durable and light to use.

Plastic Handle smooth and comfortable to use.

6 figure wheels of special alloy, strong as steel, with non-printing zeros.

Self-inking with a pre-inked cartridge good for thousands of impressions.

Each machine packed with a pre-inked cartridge and stylus. Ready to use.

B6

Similar to the B600, but with a **Strong Die Cast Frame**, nicked and highly finished.

Each machine packed in an individual box with a pre-inked cartridge and stylus.

The B600 and B6 with 6 wheels use the Type 2 **COLORBOX** (a pre-inked cartridge good for thousands of impressions). Available in black or red. Easy to insert.

***Black Indestructible Frame-** All B6 & B600 models have 9 movements except as noted.
